

RAILROAD COMMISSION OF TEXAS
Oil and Gas Division

NOTICE TO OIL & GAS AND PIPELINE OPERATORS

New Monthly Transportation & Storage Report and Skim Oil/Condensate Report Available

The Railroad Commission of Texas (RRC) has adopted new versions of the *Monthly Transportation & Storage Report* (Form T-1) and *Skim Oil/Condensate Report* (Form P-18), related to the execution, and filing of monthly transportation, storage, and injection reports by oil & gas and operators under their jurisdiction.

In addition to streamlining the forms, the revisions to the Form T-1 added:

- lines for the filing operator's P-5 number and district number on all pages;
- a box to check when submitting corrected reports; and
- a line for an optional email address to be provided to the RRC as a point of contact on Form T-1 submissions.

The revisions to the Form P-18 include the addition of:

- a purpose for filing section;
- lines for out of state waters, oil transfer, and BS&W (Basic Sediment & Water); and
- page VI(A) to support the out of state waters line, and page VI(B) was added to support consolidated Form P-18s.

Effective May 1, 2024, operators are required to file the new versions of the forms and the RRC will no longer accept older versions.

The new versions of the forms are available in fillable PDF format on the RRC website at <https://www.rrc.texas.gov/oil-and-gas/oil-and-gas-forms/>.

If you have any questions regarding this notice, contact the RRC's Oil and Gas Division at T1@rrc.texas.gov (for Form T-1 inquiries), SkimOil_CondensateReporting@rrc.texas.gov (for Form P-18 inquiries) or 512-463-6726.
