Comments concerning proposed rulemakings

Texas Gas Service Company, a Division of ONE Gas, Inc. (“TGS” or “Company”), comments to the Commissions proposed new rule styled as 16 TAC § 7.480 are as follows: 1. § 7.480 (a) – Energy conservation program authority. TGS requests the Commission consider broadening the rule to include prospective industrial customers. (See, page 5, lines 10 – 13). 2. § 7.480 (e) Notice and promotional materials. TGS recommends including language to close the public comment period, (i.e. 30 days after issuance). 3. § 7.480 (h) Procedure for Review. TGS recommends adding language to specify Staff’s timeline for review. TGS recommends a 60-day period from the date of Notice. (See, page 10, lines 1 – 13). 4. § 7.480 (i) Rate Schedule. The Company seeks clarification of the time period that approved ECP rates would be subject to refund. An ECP rate approved by the Commission at an open meeting and 31 implemented by the LDC shall be subject to refund unless and until the rate schedule is electronically 32 filed and accepted by Gas Services. (Proposed New Rule 16 TAC 7.480, page 2, lines 30-32 and page 10, lines 18 – 20). TGS recommends additional language be added to clarify that rates are subject to refund until reviewed in the Company’s next full rate case, not to include a review in either a COSA, GRIP or similar Interim Rate Case filing. 5. §7.480 (j) ECP

annual report. TGS respectfully requests the deadline for the annual report be extended to 60 days (as opposed to 45) following the end of the LDC's program year. (See, page10, lines 21 - 26). Texas Gas Service Company, a Division of ONE Gas, Inc. ("TGS" or "Company"), comments to the Commissions proposed amendments to 16 TAC § 7.460 are as follows: Texas Gas Service Company, a Division of ONE Gas, Inc. ("TGS" or "Company"), comments to the Commissions proposed amendments to 16 TAC § 7.460 are as follows: 1. § 7.460(d) Notice. – TGS proposes the Commission consider broadening the rule to clearly permit electronic notice. (d) NOTICE. Beginning in the September or October billing periods utilities and owners, operators, or managers of master metered systems shall give notice by mail or email as follows:
