Austin

### State

TX

### Zip

78741

### Business Phone, Fax

**Email Confidentiality Preference**

No, I request my e-mail address to remain confidential

**Email Address**

[REDACTED]

**Comments concerning proposed rulemakings**

Your proposed rule, as I understand it, only requires gas companies to say they are prepared for weather events like the February freeze –not to actually BE prepared and able to operate. That is a useless rule. Please change the rule to require them to be prepared and to face substantial painful penalties if they are not.
