**LNG FORM 2007T**

**CARGO TANK AND CONTAINER DELIVERY UNIT TRANSFER**

*Please Type or Print*

New Owner/Operator Name \_\_\_\_\_ License Number \_\_\_\_\_

Previous Owner/Operator Name \_\_\_\_\_ License Number \_\_\_\_\_

The transfer of ownership or the transfer of other rights of cargo tanks or container delivery units **currently** registered, requires the transfer of such units in the name of the new owner/operator with AFS prior to the use of such units for transporting or delivering LNG. **The transfer fee for a unit currently registered to another licensee is \$100 per unit** regardless of the water gallon capacity or time remaining on the license for the licensee to whom the unit was transferred.

**This form is not used for units that will have multiple operators.** Each operator of a unit must register the unit separately. If a unit will also be operated by another company, submit LNG Form 2007 for cargo tanks or LNG Form 2007A for container delivery units.

List each cargo tank or container delivery unit being transferred: (Use additional sheets if necessary)

Cargo Tank Manufacturer Name	Cargo Tank Container Serial No. OR Container Delivery Unit Vehicle Identification Number (VIN)	Fee Submitted
Total:		

I declare under penalties prescribed in Section 91.143 Texas Natural Resources Code, that I am authorized to sign this report, and that the information stated herein is true, correct, and complete to the best of my knowledge. By filing this application via facsimile transmission, applicant voluntarily stipulates and agrees that the filed facsimile copy shall be treated as an original document for all purposes in any court or administrative proceedings.

Additionally, applicant agrees that this application may be executed by electronic signature, which shall be considered as an original signature for all purposes and shall have the same force and effect as an original signature.

**The following items are needed to complete the transfer process for each unit.**

- Submit completed LNG Form 2007T.
- Pay the \$100 transfer fee for each unit.
- Submit a copy of the hydrostatic or pneumatic test required by 49 CFR 180.407(c) for each unit, if applicable.

NOTE: Cargo tank and container delivery unit registrations expire when the company license expires, regardless of time left on the license.

DO NOT SEND CASH. Make Check or Money Order  
Payable To: **The Railroad Commission of Texas**. To  
pay by credit card please visit our website at

LNG Form 2007T

**RAILROAD COMMISSION OF TEXAS**  
**ALTERNATIVE FUELS SAFETY**

**INSTRUCTIONS FOR COMPLETING LNG FORM 2007T**

1. **New Owner/Operator Name:** The company name of the licensee submitting the form to transfer one or more cargo tanks or container delivery units. The name must be listed as the company name or an assumed name (dba) listed on LNG Form 2001; otherwise, an amended LNG Form 2001 must be submitted along with any documentation required for name change or the addition of an assumed name.
2. **New Owner/Operator License Number:** The license number of the licensee the unit(s) is/are being transferred to.
3. **Previous Owner/Operator Name:** The company name of the licensee the unit's current Form 2004 Decal is issued to. A unit must have an active (unexpired) decal issued to qualify for transfer. Units without a current decal must be registered using LNG Form 2007 or LNG Form 2007A.
4. **Previous Owner/Operator License Number:** The license number of the company the unit's current Form 2004 Decal is issued to.
5. **Cargo Tank Name of Manufacturer:** If the unit being transferred is a cargo tank, then provide the name of the manufacturer listed on the manufacturer's data report (U1-A).
6. **Cargo Tank Container Serial No.:** If the unit being transferred is a cargo tank, then provide the serial number listed on the U1-A.
7. **Container Delivery Unit Vehicle Identification Number (VIN):** If the unit being transferred is a container delivery unit, then provide the vehicle's National Highway Traffic Safety Administration's 11–17-character VIN. If the unit is not motorized, then provide the trailer's VIN (chassis/frame number).
8. **Fee Submitted:** The fee amount being submitted for the unit's transfer.
9. **Cargo Tank Test:** Each cargo tank required to be registered with AFS shall be tested in accordance with 49 CFR 180.407, relating to requirements for test and inspection of specification cargo tanks. The tests shall be conducted by any individual authorized by the United States Department of Transportation through a DOT "CT" number to conduct such tests. If the test results show any unsafe condition, or if the cargo tank does not comply with 49 CFR Parts 100-185, the cargo tank will not be transferred.
10. **Email address:** Providing an email address is optional. If provided, the filer's email address will become part of the public record.
